Objectives of voluntary Blood Donation drives:

- To replace paid blood donors with voluntary donors
- Paid donors are to be discouraged as
  i. It is exploitation of the poor who often give blood to earn money; and
  ii. Prevention of diseases spread by blood transfusion, paid donors are not only poor but they may also be carriers of disease.

Note:
1. **Only eligible students as per general medical norms of blood donation will be entitled for the same.**
2. **Regular classes will also run with the schedule of Blood Donation camp.**
