Dear Students,

To build a sustainable partnership with industry for mutual benefits and to show case the skill sets of Final year students, We are pleased to inform you that an Industry Institute Interaction program has been scheduled on **Saturday, 4th April 2015** at Poornima Foundation from **10:00 AM to 1:30 PM**. The objective of this event is to provide a platform for all the stakeholders like Industry, Institute and Students in terms of Project-Based Training, Expert Talks, Industrial Visit, Project Guidance and Placement Association. The program includes Final Year Project Exhibition and Interaction with all the stakeholders.

In order to equip our students better with the current tools and technologies used by the industry. This association will empower our students to work with industry. It will helps in bridging the gap between academic curriculum and industry demands. We can have the association in the form of Practical Trainings, Interaction with Industry Experts, Industrial Visit and Involvement in Engineering Projects.

We deem it a privilege to request you to kindly make it convenient to participate in the Industry Institute Interaction program on Saturday, 4th April 2015 at 10:00 am. The students will be immensely benefited by interaction with a dignitary of your stature, which will motivate them for enhancing their academic talent.
