

## (Dam Construction)

In **M.N.I.T** (Malaviya National Institute of Technology), Jaipur we won **First** prize worth 8000 Rs in following event of tech fest named **Blitzschlag** :

**Event Name:** Aqua Barrier (Dam Construction)

**About Event:** Worldwide, over 45,000 large dams (Retaining Wall) have been built, and nearly half of the world's rivers are obstructed by a large dam (Retaining Wall). Considering the wide range of applications of dam (Retaining Wall) construction, it is an important aspect of civil engineering. The participants have to design a dam (Retaining Wall) using the given material, satisfying certain constraints which will serve as final testing parameters.

**Total Team Members:** 5

**Branch:** Civil Engineering

**Year:** II

**Team Members Name:**

1. Vijay
2. Vishnu Jangir
3. Vishnu Kumawat
4. Sumit Kumar Bhamu
5. Vishal Diggwal
