Highlights of Events:-

On the occasion of World Kidney Day on 12th March 2015, Poornima University organized an interactive session with Dr. Kamal Kumar Kaswan, MBBS, MD, DM- Nephrology, Narayan Hridayalay Hospital, Jaipur. In the session, Dr. Kaswan made students aware of the Anatomy & Physiology of Human Excretory System. He also discussed the function and importance of Kidneys in a human body. The programme commenced with the welcome note for Dr. Kamal Kumar Kaswan. Dr. Manoj Gupta, Provost, PU presented a memento as the token of respect and appreciation to Dr. Kaswan. There was an interactive session too where the eager students asked questions regarding the preventive measure that should be taken to keep everyone fit and fine. The event was coordinated by the Social Service Club of Poornima University.
