**REPORT ON SKILLS DEVELOPMENT INTERACTION BY MS. JAYA**

**GOYAL ON 07.08.2015**

In the series of facilitating a platform for the interaction of its students with the achievers and luminaries of the society, Poornima University today organized a 'PU Inspire' session for its Commerce, Management and Computer under-graduate students of BBA, B.Com and BCA. The guest for the day was Ms. Jaya Goyal, who is the Chairperson of the Women's Entrepreneur Cell, and is currently engaged with 'Pradhan Mantri Kaushal Vikas Yojana' under NSDC.

Ms. Goyal interacted with students and discussed about their life's mission and goals, and the importance of acquiring skills along with the formal education. The skills development initiatives of the Government of India were discussed and the students were motivated to assess themselves and acquire an employable skill for their betterment. The overall interaction was very fruitful for the students and they showed a keen interest in joining this initiative of the Government of India.
