## Report on Special Lecture "TALENT ENRICHMENT" by HR Manager, ERICSSON India Ltd.

Poornima University organized a Special Lecture on "TALENT ENRICHMENT" by Ms. Garima Srivastava, HR Manager, ERICSSON India Ltd on Wednesday, September 02, 2015 at Seminar Hall, PCE. About 229 students of IIIrd year of ECE branch of Poornima Foundation attended this session. Ms. Garima started the session with the introduction, history and global presence of ERICSSON. She shared the expectation of an employer from a fresher, wherein she emphasized on the importance of professionalism. She advised students to have openness towards mobility and to have learning attitude.

In her one hour session she also informed students how to prepare for interview .She told students about the importance of first impression and asked them not to appear in any interview with a casual approach. As per her, students should also frame some relevant questions to ask from the interviewer.
