B. ARCH. STUDENTS VISIT TO JAWAHAR KALA KENDRA

A trip to the Jawahar Kala Kendra, Jaipur was organized by architectural department of Poornima University. 108 students visited this multi art Centre where they also got a chance to see a unique exhibition “Abhivyakti Ek Prayas” by IIS University (department of visual arts).

As the exhibition was a very good show of the art work regarding artist’s thought, medium and material used by IIS university students who also interacted with Poornimites about the details of their art work which boosted their observation power and at the same time they were acquainted with the different materials & mediums used in the art work.
