Report on Department Day of Mechanical Engineering

Department Day of Mechanical Engineering was celebrated on 01 March 2016 at Poornima University. The theme of the Day was Renewable Energy.

Mr. Amit Kakkar, Designation: Deputy General Manager at RISL graced the occasion as Chief Guest, and inaugurated the event with Lamp Lighting. Chief Guest addressed the students with the message of saving energy, and ensuring the maximum utilization of renewable energy. He also discussed the concept of green building and encourages them to get full proficiency of their desired stream. Dr. R.P. Rajoria, Chief Mentor & Advisor, Poornima University, also addressed the students and motivated them for bright careers.

Students presented the annual report of department in guidance of Mr. Ashwani Kapoor. H.O.D. mechanical department. They discussed various Achievements and academic result of B.Tech. He also told about the various programs, groups, and activities which are running in department for the welfare students. Department Newsletter named "POORNIMA CONTRIBANCE" was released and the program ended with vote of thanks by Monica Bansal, Assistant Professor Poornima University.

After lunch back many Technical events like quiz, group discussion, and CAD master were organized and competitions/Activities like Ad Mad, poster making competition were also organized. Students participated in those activities with fun and enjoyment.

In the end Memento and Certificate had been distributed by Dr. Manoj Gupta, Provost and Mr. Ashwani Kapoor. H.O.D. Department of Mechanical Engineering, Poornima University to the students who got 1st and 2nd place in the various activities. After that certificate had been provided to the students who have got scholarship from university. After prize and certificate distribution Dr. Manoj Gupta, Provost, Poornima University addressed the students and encourages them for performing better in upcoming semester. The program ended with Poornima Gaan by students of Department.
