

# POORNIMA UNIVERSITY

23<sup>rd</sup> January 2016

## **Report On Safe Riding Program by SAAHAS**

**SAAHAS (Society for Adventure Awareness Humanity & Automobile Sports)** is an Apex organization based at Jaipur with a unique and justifiable amalgamation of Motor Sports with Road Safety because both the activities need to obey certain rules and regulations. With the consent of Poornima's Administration, SAAHAS organized its Most Unique Activity; "**Safe Riding Program**", a Practical Educating Event to enhance the Riding Skill of 2 Wheeler Riders on **Saturday, 23rd January, 2016 in campus of Poornima University.**

**This event was under the initiative of the Government of Rajasthan** who is celebrating Road Safety Week from **January 18 - 24, 2016** in Rajasthan to encourage riders to obey traffic rules and safety measures. This is 10th consecutive year when SAAHAS is engaged to be the part of the annual event "Road Safety Week" by Rajasthan State Transport Department since both the organizations have the same objective; **to make the roads safer.** It was an interesting training session which **started at 12 pm.**

All participants were asked to bring their own Scooter/Motorcycle and wear Helmet while participating. **Students of Poornima University participated in the event enthusiastically and were awarded Certificates too.**

Poornima's Administration also anticipated that Spectators/Students of the Institution present a good example in front of the organizers and encourage participants with their presence. SAAHAS is a **commoners' brand** since 17 years, Committed to promote Motor Sports & Dedicated to Develop Jaipur, Rajasthan & BHARAT/INDIA as Most Popular International Destination for Motor Racing. Along with, it believes **Educating Youth for SAFE RIDING & NOT to Race or Perform Stunts on Public Roads.**

This Practical Educational session was to Generate Awareness for Fitness of the Vehicle, keeping the Documents updated, Improvising Mental Aptitude and Practical Training Session to Enhance Riding Skill, to be a Safe Rider. Road Safety has become an important topic in our country and your kind consent to organize this unique Road Safety Awareness Program will definitely enhance the image of your Institution.
