

**Department of Civil Engineering**  
**Report on Orientation Program (2016-17, Even Sem)**

Orientation Program was organized by department of Civil Engineering, Poornima University from 23/1/2017 to 31/1/2017 (For students of II year & IV year) and from 1/2/2017 to 7/2/2017 (For students of III year). Sessions were planned covering Zero lectures for the subjects and zero labs for the labs as per the scheme, in which overview and importance of subject and lab from exam & competition point of view was taught and explained by the respective faculties. Special sessions were also conducted as briefed below:

**Session by Dean & Provost -Dr. Manoj Gupta**

Session was taken by our respected Dean & Provost Dr. Manoj Gupta. Session was important to freshen up the students for the new semester and to make understand students about the importance of this semester. Sir added that an engineer is not the one who know technical skills but he is the one understand the practical knowledge behind that, sir also added that 12 attributes which are been marked are important and should be practiced head to head by the students.

**Semester Plan presentation by HoD – Mr. Vivek Gupta**

In this session sir explained that semester plan is a master schedule of everything that needs to get done over the 15 weeks of the semester. Sir added that instructors provide with due dates for the semester through the Course Section Information (CSI) document for each course. He told that semester plan displays due dates in one place and helps to remember when a due date is coming up. He added that this module will show how to use all of the due dates for each of courses to create a semester plan. This highlights the biggest item for each course so that these key dates stand out highlighted weeks that are going to be the biggest weeks of the semester. Add any new deadlines to your Semester Plan that pop up over the semester. He told students to put the Semester Plan somewhere where student will look at it frequently.

**Session by Proctor -Mr. Amit Gupta**

This session was taken by Proctor sir; session was fruitful for the students as this session taught students that whatever some of them not doing the studies they have to start doing now. Sir also guided us to overcome the difficulties of life. He also asked students to be regular in uniform, sir also motivates the students who have back previous semesters and guided them how to clear those backs as from coming semester onwards, otherwise it will be difficult to clear previous backs.

### **Session by TPO -Ms. Garima Mathur**

This session was taken by Training and Placement Officer Ms. Garima Mathur mam and made students know about the placement and training scenario of the Poornima University. She told that Engineering batches in the past has not taken part well in on campus recruitment training and placement drives, there was a reason behind it; students are not well in aptitude and English. Mam guided students to take CRT classes seriously so that aptitude and command over English will be good and students should take part and do well in On Campus drives.

### **Session by Controller of Examination -Dr. Nupur Srivastava**

In this session mam explained the detailed explanation of marks and calculation of CGPA & SGPA. Session was important to understand the importance of graded.

### **Yoga Session- Coordinated by Dr. Rakesh Gupta**

Yoga - Connection of Body, Mind & Soul! It helped students. Students learnt many things from here that are important to implement in life. Yoga instructor was very encouraging and cheerful. He taught students how to handle things in life; that changed the dimension how one looked through life. That was a different experience for all students in Orientation week. Mind & soul came in to coordination that helped students to bring their body in control. Never to forget Butterfly pose (God it showed heaven to us!!).

### **FSAI (Fire & Security Association of India) Session- Coordinated by Mr. Vinod Kumar Sharma**

This Special lecture was organized in Association with FSAI on the topic “Ensuring Safety & Security For Building Design” taken by : - Mr. Ankur Gupta: Partner & Co-Founder at Secure Automation Consultants, Jaipur & Mr. Ravi Kumawat: Partner & Co-Founder at Men at Work, Jaipur, a specialist in designing Fire Fighting & Fire Suppression Systems in Buildings.

### **Session by Department PMEPI Coordinator -Ms. Lalita Paneru**

In this session PMEPI (Poornima Mission for becoming English Proficient Institute) was introduced to all students. Mam explained the importance of becoming proficient in English for placement goals and for global connectivity and she also taught different ways so that students can become proficient in English.

### **Session by Cluster Head (Transportation Engineering)- Ms. Lalita Paneru**

In this session, mam introduced the Transportation Engineering cluster of the department. She explained the current thrust areas of Transportation Engineering defined by the department and also explained the opportunities, research and project scope in Transportation Engineering.

### **Session by Cluster Head (Structural & Geotechnical Engineering)- Mr. Siddharth Sharma**

In this session, sir introduced the Structural & Geotechnical Engineering cluster of the department. He explained the current thrust areas of Structural & Geotechnical Engineering defined by the department and also explained the opportunities, research and project scope in Structural & Geotechnical Engineering.

**Session by Cluster Head (Water resources & Environmental Engineering)- Mr. Divya Prakash**

In this session, sir introduced the Water resources & Environmental Engineering cluster of the department. He explained the current thrust areas of Water resources & Environmental Engineering defined by the department and also explained the opportunities, research and project scope in Water resources & Environmental Engineering.

**Session on use of IT tools like Internet, Google classroom & assignments- Mr. Pankaj Saini**

In this session, Sir explained the importance of using IT tools, Google classroom & assignment and he also explained that how it works differently from general e-mails. Students got to know that that from Google classroom & assignment, a faculty can track the performance and regularity of the students.

**Time Tables for Orientation Program**

 <b>POORNIMA UNIVERSITY, JAIPUR</b> <b>SCHOOL OF ENGINEERING &amp; TECHNOLOGY</b> <b>DEPARTMENT OF CIVIL ENGINEERING</b> <b>ORIENTATION TIME TABLE (B. Tech II Year -IV Sem, 2016-17)</b>								
Date: 20/1/2017								w.e.f. : 23/1/2017
Date	8:30-9:30	9:30-10:30	10:30-11:30	11:30-12:10	12:10-1:10	1:10-2:10	2:10-3:00	3:00-4:00
23/1/2017	Tutor Session	Semester Plan Presentation	Semester Plan Presentation		Zero lecture on Hydraulics & Hydraulic Machines	Zero lab on Geology Lab	Zero lecture on Concrete & Construction Technology	Stationary Collection and Books Issue from Library and fee deposition
