

Special Lecture

On “Ensuring Safety & Security for Building Design”

On 01st February 2017, a Special Lecture for 2 hours was organized by the Department of Civil Engineering for the students of Ist & IInd year, Civil along with the members of the FSAI (Fire & Security Association of India) on “Ensuring Safety & Security For Building Design” at Ground Floor Seminar Hall from 2:00 PM to 4:00 PM. The students from B.Arch, Mechanical Engineering and Electrical Engineering along with 2 faculties each from respective departments were also invited to attend the Session. About 130 students from respective departments attended the session. Esteemed Provost& Dean (School of Engineering and Technology) Dr. Manoj Gupta made the session more pleasurable with his presence. He along with Mr. Vivek Gupta (HoD, Civil Engineering Department) also facilitated the guests with a memento.

This Special lecture was organized in Association with FSAI and taken by: - **Mr. Ankur Gupta:** Partner & Co-Founder at Secure Automation Consultants, Jaipur. SAC is involved in designing and executing customized projects of IP Surveillance, Fire Detection Systems and Access Control Systems & Communication for Industries, Hotels & Commercial Buildings.

Mr. Ravi Kumawat: Partner & Co-Founder at Men at Work, Jaipur (A specialist in designing Fire Fighting & Fire Suppression Systems in Buildings)

The session was very well planned and executed by the two guest faculties. In today's scenario Safety & Security is of prime concern to all of us and such type of events helps in making students aware of these kinds of aspects of engineering with the help of which they can Design, Develop, Maintain the buildings for safe & secure living. As Fire Safety & Security industries are growing day by day, it will also help in providing some career opportunities to the students who wants to startup their career in the field of Fire, Safety and security.

The students coordinated with FSAI officials in a good manner and asked several queries regarding Fire Safety & Security. Mr. Ankur Gupta and Mr. Ravi Kumawat was very much impressed with our student's curiosity to know about Preventive measures and fire detection techniques related to Fire Safety & Security and were

able to resolve all the related issues. The Special lecture was full of learning and knowledge.

As Poornima University is the First institution to open a Student Chapter of FSAI in Rajasthan. We are very much proud to be the part of this great organization and we will try to organize such type of events or workshops on Fire, Safety and security in future.

Faculty Coordinator: - Mr. Vinod Kumar Sharma
Student Coordinator: - Mr. Shivam Kumar
