On 7<sup>th</sup> November, 2017 a social visit was organized by the Department of Civil Engineering for the students of 4<sup>th</sup> year. The students along with 5 faculties Ms. Jigisha, Mr. Ankush Kumar Jain, Mr. Vinod Sharma, Mr. Pankaj Saini and Mr. Alok Gautam went on a social visit “**TO GOVERNMENT SCHOOLS AND SLUM AREAS OF JAIPUR**” to observe the social issues and to help the society at our best possible level.

The visit was done at two government schools-

1. **Janbodh Bhawan, Rajkiya Prathmik Vidhyalaya, Idgah Basti**
2. **Janbodh Bhawan, Rajkiya Prathmik Vidhyalaya, Darbar colony**

The main motive of the visit was to help the needy ones at our best possible level. Initially we collected fund from our department in which both students and faculties contributed money for buying the needful things, which included food items and stationary. Also we collected old clothes from department and distributed those in various slum areas of Jaipur covering the part of Transport Nagar and Jhalana Doongri.

Our students coordinated with all the children in schools as well as in slum areas in good manner. Faculty members and students distributed stationary and fruits in both the schools which bought smile on the faces of small toddlers.

We believe that this activity was done with full of our hearts and respect towards the society that’s why we were successful to bring smile on their faces.
