

POORNIMA UNIVERSITY

School of Engineering & Technology Department of Civil Engineering

REPORT ON ALUMNI INTERACTION

An alumni interaction was conducted for students of batch 2014-18 and 2016-20 of Civil Engineering department on 10/11/2017 during 10:00-11:00 AM and 12:00-1:00 PM. The alumni member Ms. Vainu Gupta (batch- 2013-2017) addressed the students about how to utilize the opportunities provided in the University for building up a career in engineering field. She is currently working as a **Design Sales Associate in Gokul Kripa Colonizers and Developers with Gokul Royal Residency, Gokul Enclave, Gokul Garden City** as her current projects.

She also gave students a great insight to the activities conducted by the University for promoting the character and the personal well being. She focused on giving an idea to students regarding how to make use of various opportunities apart from regular studies like special lectures, industrial visits, soft skills, aptitude training, industrial training, winter training etc. conducted in University as a part of overall development of a candidate before moving to outside world. This alumni session was interactive, where students gained information about how to face an interview, what companies focus on and how to prepare themselves as a competent engineering graduate.

Students asked for more such sessions where they can interact with their seniors who are shining being Poornima stars and because of their smart working the name of our prestigious organization is illuminated in outside world.

Ms. Lalita Paneru
(Faculty Coordinator)

Dr. Divya Prakash
(HoD, Department of Civil Engineering)
