

POORNIMA UNIVERSITY

SCHOOL : SET

DEPARTMENT : B.TechIst Year

NAME OF EVENT :-Science Day Celebration

NAME OF EVENT COORDINATOR :- Dr. Priti Kaushik

TYPE OF EVENT: Celebration of Science Day giving importance to the revolution in the field of Science & Technology

Venue:- Ground Floor

Duration:- 3 hrs

Time:- 9:30 AM to 12:30 PM

Date:- 28-2-17

Seminar Hall

Purpose & Details of Audience: The purpose was Celebration of Science Day which is celebrated on 28th February each year to mark the discovery of the Raman effect by Indian physicist Sir Chandrashekhara Venkata Raman. For his discovery, Sri C.V. Raman was awarded the Nobel Prize in Physics in 1930.

Students of B.Tech First Year

Section A: 57

Section B :45

Section C: 43

Section D: 30

Name of Chief Guest with affiliation:- Dr. Manu Sikarwar, Project Director, DST (Rajasthan)

Name of Guest Presiding over the function :- Dr.KKS Bhatia, President, Poornima University

Other Dignitaries:-Dr. Manoj Gupta, Dean, SET. Provost, Poornima University

Highlights of Events:-

On Feb 28, 2017, Department of First Year celebrated Science Day.

The function was graced by the precious presence of the Chief Guest, Dr. Manu Sikarwar, Project Director, Dr. KKS Bhatia, President, PU, Dr. Manoj Gupta, Provost, PU, Dr. Chandni Kriplani, Registrar, PU, Dr. Priti Kaushik, HOD, I Year.

Dr. Manoj Gupta talked about the vital and rapid changes taking place in the field of Science and Technology. He also asserted that how aspiring students of Engineering & Technology are supposed to work hard and keep on motivating themselves to be enthusiastic and curious in the field of research. He quoted very impactful lines of great Scientist, C.V. Raman i.e. "Success can come to you only by Courageous Devotion."

Dr. KKS Bhatia threw some light on the importance of Science by saying that it is part of our everyday life. He also talked about the significance of curiosity and its role in making a person go for creative inventions and discoveries. At last, he guided students regarding Fellow of Research Society.

The Chief Guest, Dr. Manu Sikarwar shared his valuable experience with the students and talked about INSc, BARC. Different schemes made to provide funds to the students by DST. He also enlightened students by motivating them to be good in their fields and informed about different fellowship programs for female faculties and students so that they can do their research work with the help of the funds provided by DST.

At the end, everyone stood up and joined the Poornima Gaan sung by Students of First Year.

After the Inaugural session, Poster Competition and Quiz Competition were organized by the Department and students participated with full energy and enthusiasm.
